

Homeschool Mornings

The Magic House offers a variety of interactive exhibits designed to encourage STEAM (science, technology, engineering, art and math) skills. Plus, this year homeschool families can also enjoy a visit to the Museum's NEW cutting-edge kids makerspace, **The Magic House @ MADE**, located on Delmar Boulevard between the Central West End and the Delmar Loop.

During **Homeschool Mornings**, families and organizations can enjoy exclusive exploration of these exhibit spaces beginning at 9:00 am, then continue their visit during public hours at 11:00 am.
